

Global Women CEO

OUR KAUPAPA

Our dream is for New Zealand to be the best country to live, work and play in; a prosperous nation underpinned by diverse leadership.

Global Women is proud to partner with and support some of New Zealand's most ambitious organisations, who are committed to driving increased diversity and inclusion in their workplaces. Over 300 Global Women members, recognised for their ability to influence and impact, advocate for diversity, equality and leadership. Our Breakthrough Leaders and Activate leadership programmes have accelerated the careers of over 400 women. And thousands of people have attended Global Women events. We also provide research, information and advice for those who wish to join us in speaking out for positive change.

Our Champions for Change partners, chairs and CEOs of major New Zealand businesses committed to diversity and inclusion, represent more than 100,000 employees.

OUR PURPOSE

To champion and encourage diversity in leadership in Aotearoa NZ through, among other things, promoting, encouraging and facilitating the development of New Zealand Women.

ABOUT THE ROLE

This is a unique opportunity for career growth and development in a CEO role with critical societal impact.

The role as CEO is to lead the development and implementation of Global Women's strategic goals and objectives; oversee the operations, policies and processes including financial requirements; provide strategic insight and information to the Board to enable effective governance of the organization; and to collaborate with members and leadership in New Zealand workplaces to achieve the benefits of greater diversity.

ABOUT YOU

This is your chance to shape the future of New Zealand's business landscape. We are looking for someone who has experience in senior management roles, ideally at an executive level. Someone who is passionate about diversity and inclusion, has financial and commercial acumen, and is a strong thought leader and communicator. The role is based in Auckland and will (ideally) be full time.

The search process for this role is being managed by Propero Consulting, a professional consulting firm with a reputation for high standards of confidentiality. If you are interested in the position, please send through a short summary of your interest via email (or cover letter if you prefer) and CV to brittany@propero.co.nz by 16th November or sooner. We can confidentially indicate to you whether you may be a suitable candidate and confirm your interest in being included in the long list.
