Global Women advocates for greater diversity in New Zealand leadership

In four workshops spread over four months, Activate empowers you to step up from emerging to game-changing leader.

Created by women, for women, Global Women's Activate Leaders Programme is designed to lift participants from middle management to the next phase of their career – driving a mindset shift and inspiring their career trajectory.

The four day programme is run over four months in five separate locations, limited to 30 places in each location. Women get the opportunity to learn from leading business, political and social leaders while enhancing their leadership skills and building their career networks.

“Activate Leaders Programme supported me in developing my leadership skills beyond what I knew I was capable of, far beyond any other leadership courses I have participated in. It's been life-changing.”

Over ten months of intensive discovery, Breakthrough Leaders will prepare you to lead organisations in New Zealand and internationally.

Alongside an exceptional peer group, you will go on a journey of discovery, learning and deep development. Four immersive and intensive four-day residential courses are complemented by coaching from leading New Zealand business figures.

We encourage women to apply who have a significant track record in the private or public, NFP or NGO sector, or in their wider community.

Only 30 exceptional women are selected for the programme each year — ensuring that issues can be discussed freely and individuals can learn from one another.

The programme combines distinctive elements of the New Zealand leadership experience with overseas exposure to give participants a truly global perspective.

Breakthrough Leaders alumnae become part of one of the most distinguished and powerful networks in the New Zealand leadership sector, continuing to learn from one another well beyond the programme.

“Our early partnership on the Breakthrough Leaders programme sent a very clear message to everyone in our organisation that we value diversity, and believe in investing in our women leaders for the future.
